

Vandegrift High School Baseball Booster Club
9500 McNeil Drive
Austin, Texas 78750

Dear Prospective Vandegrift High School Baseball Business Sponsor,

What a tremendous 2018 season! For the second year in a row the Varsity Viper Baseball season was extended by making it to the playoffs! The Viper Baseball family is also proud 2 varsity players will go on to play at the collegiate level this year. We owe a lot of our success to our sponsors that support us. We are excited to continue our winning tradition in the 2019 season and as a growing 6A program we need you to be a part of it!

We are asking for your business partnership and sponsorship to support the Vandegrift High School baseball team. High school athletic programs have to rely heavily on fundraising activities to cover their budgets as school districts provide little funding to cover the operational costs of the programs. One of the cornerstones of the Vandegrift High School Baseball Program is the support of its local business sponsors. As a direct result of our sponsors' financial support, we have made some significant improvements to our baseball field, purchased new uniforms, and have purchased additional equipment. A large portion of our budget is directed toward improving the playing field and providing our student-athletes with the necessary equipment to keep them safe and properly equipped.

Vandegrift Baseball supports 3 teams that will play approximately 25 games each and at the Varsity level, the hope is to continue to win and play in the playoffs.

The sponsorship dollars benefit both the high school and summer teams that play from February through June. This year our spending priorities include:

- Additional field equipment (i.e. batting screens, rakes, batters eye etc.)
- Player apparel (i.e. uniforms, game pullovers, etc.)
- Field maintenance (i.e. mound repair, fertilizer & weed control, replacement of bases, etc.)
- Player equipment (i.e. batting tees, baseballs, etc.)

We ask that you please give strong consideration to a sponsorship to the Vandegrift Baseball Booster Club. The package enclosed presents a variety of sponsorship levels and opportunities as well as community wide exposure for your business. We thank you in advance for your consideration and would love to have your business as part of the Viper Family!

Kind regards,

Amy Miller
